

-Fylingdales C of E VC Primary School

Sports and PE Premium Report

This strategy statement is written for the funding period January 2018-January 2019 and contains information about the academic year 2017-18 and Autumn Term 2018.

At Fylingdales C of E VC Primary School, we hold a firm commitment to ensuring high quality PE and sport for every child. The school receives additional funding to support this and build sustainability for high quality PE and sports.

The Department for Education states that the premium should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The key indicators and improvement areas for the premium spending are:

**Key indicator 1:** The engagement of all pupils in regular physical activity.

**Key indicator 2:** The profile of PE and sport being raised across the school as a tool for whole school improvement.

**Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport.

**Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils

**Key indicator 5:** Increased participation in competitive sport

In 2017/2018, the school received £16589 in additional funding for the sports and PE premium. This is used in a range of ways to support and develop whole school provision to meet the key indicators from the DfE.

	children hadn't experienced before. We came 1st in an inter-school competition with local schools following the lessons and club that had been in place.			
	KI 1: Engagment in regular physical activity. ✓	KI 2:Raise the profile of sport ✓	KI 3:Increase the confidence and skills of staff ✓	KI 4:Broader experience of sports ✓ KI 5:Increased participation in competitive sports ✓
<ul style="list-style-type: none"> <li>Cost of additional swimming sessions with instructors to target those children identified as 'not on track to meet' the national curriculum requirements for swimming.</li> </ul>	<ul style="list-style-type: none"> <li>100% children ended up meeting the 25 metre expectation at the end of Year 6 last year.</li> </ul>		<ul style="list-style-type: none"> <li>School staff could be trained to develop and equip them with the skills necessary for teaching effective swimming.</li> </ul>	£800

<ul style="list-style-type: none"> <li>To ensure children are always able to access the sporting events with the level of staffing necessary.</li> </ul>	<ul style="list-style-type: none"> <li>Children are able to access almost all of the Whitby Sports partnership events (weekly, depending on any other commitments in the timetable).</li> </ul>		<ul style="list-style-type: none"> <li>Events would have to be after school and supported by parents if we were unable to offer this provision. We could invite schools to our own tournaments.</li> </ul>	£3000
	KI 1: Engagment in regular physical activity. ✓	KI 2:Raise the profile of sport ✓	KI 3:Increase the confidence and skills of staff ✓	KI 4:Broader experience of sports ✓ KI 5:Increased participation in competitive sports ✓

To cover travel costs to be able to take part in sports events.	Children are able to access almost all of the Whitby Sports partnership events (weekly, depending on any other commitments in the timetable).		The federation could look at buying a minibus together in order to transport children to events.		£3300
