Sports and PE Premium Report

This strategy statement is written for the funding period January 2018-January 2019 and contains information about the academic year 2017-18 and Autumn Term 2018.

At Fylingdales C of E VC Primary School, we hold a firm commitment to ensuring high quality PE and sport for every child. The school receives additional funding to support this and build sustainability for high quality PE and sports.

The Department for Education states that the premium should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The key indicators and improvement areas for the premium spending are:

Key indicator 1: The engagement of all pupils in regular physical activity.

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

In 2017/2018, the school received £?????? in additional funding for the sports and PE premium. This is used in a range of ways to support and develop whole school provision to meet the key indicators from the DfE.

How was the Sports and PE premium used? What was the impact?									
How has the Sports and Premium been used?		What was the impact?				How will sustainability be secured?			Cost
<ul style="list-style-type: none"> Membership to the service level agreement for Whitby Sports Partnership. This allows children to participate in inter school competitions etc. 		<ul style="list-style-type: none"> Years 1-6 have the opportunity to engage in competitive sport. A vast range of sports are accessed through the partnership, developing children's skills. Staff have CPD opportunities for developing their own knowledge and understanding of teaching sports. We had regular successes in the inter-schools competitions (see newsletters). 				<ul style="list-style-type: none"> PE leads from within individual schools could build on the successes and already established tournament schedule. Staff have the knowledge of different sports and can apply this to lessons. 			
		KI 1: Engagment in regular physical activity. ✓		KI 2: Raise the profile of sport ✓		KI 3: Increase the confidence and skills of staff ✓		KI 4: Broader experience of sports ✓	
<ul style="list-style-type: none"> High quality specialist teachers are provided to enhance the sports curriculum. This teaching provides access for all children across school. 		<ul style="list-style-type: none"> Improved skills for children. Improved opportunities for participation. Development of staff CPD in teaching sessions. A wider selection of sports on offer for the children e.g. golf, cricket, tennis 				<ul style="list-style-type: none"> Staff observe and participate in their class session meaning that, in future, these could be delivered by the school staff. 			
		KI 1: Engagment in regular physical activity. ✓		KI 2: Raise the profile of sport ✓		KI 3: Increase the confidence and skills of staff ✓		KI 4: Broader experience of sports ✓	
<ul style="list-style-type: none"> School sports clubs provided as an after school activity. 		<ul style="list-style-type: none"> 33 children accessed the football club. 12 children attended the after school 'Relax Kids' club. Golf club for children to attend (15 pupils)- delivering a sport that 				<ul style="list-style-type: none"> Clubs could be taken over by a member of school staff. 			

	children hadn't experienced before. We came 1st in an inter-school competition with local schools following the lessons and club that had been in place.
