Friday 14th December

Dear Parents, Carers and Friends,

Victorian Service

Thank you to all who came along to support our Victorian weekend service last week. It was wonderful to see St. Stephen's church so full and of course be part of the special Christmas tree switch on. The trees all looked so fabulous and it was lovely to hear everyone's wonderful comments about the pupils' and staff hard work. A special well done also goes to our pupils who performed solos or duets on their instruments. Despite some nerves, they all performed fantastically and should feel very proud of their achievements. Thanks go to their individual music teachers in helping them to learn a piece for the performance and also a big thank you to you all for your support.

Nativity

A big WELL DONE to our fabulous EYFS, Year 1 and Year 2 children for this year's nativity performance. They learnt their lines and song words well and pulled off a great performance on Wednesday in church. What a wonderful way to mark this special season.

Music Support

We would like to say a huge thank you to our parent governor Julie Matthewson for all her hard work and commitment over the past term. Julie comes into school each week to do music with the classes and has been instrumental (pun intended!) in getting the children ready for their musical performances. Thank you so much Julie. We really value all you do for school.

Packed lunches

We would just like to remind everybody that confectionary such as chocolate bars and sweets are discouraged in packed lunch boxes. This does not include cake bars, snack bars etc. as long as they are balanced with some other food types such as fruit, fish, meat etc. Thank you for your continued support.

Imagine Friendship Group

Our Year 5s and 6s have enjoyed joining the Imagine Friendship group at Fylingthorpe Chapel to sing carols and perform with the Christmas bells. The children have received a very warm welcome and loved doing this for the members.

Christingle -Just a reminder to bring in any Christingle boxes to school. The last date for these is by Wednesday next week please. Our Christingle service is at 6.00pm that evening in St. Stephen's Church. We would like all our pupils who are coming to wear their school uniform. We look forward to seeing you there.

Scooters- Please could you talk to your children about using their scooters safely outside of school. We had a phone call into school to mention how children have scooted across a road without looking for traffic whilst cars are coming. We have talked to the children about being safe, but would appreciate it if this could be reinforced at home, thank you.

School Attendance

Our Whole School Attendance Target: 96.5%

This week's attendance was: 93.3 %

69 children had 100% attendance

6 children were late

Kind Regards,

Mrs C Barber
Headteacher
