

INTRODUCING ZOGGS OCEAN OF FUN DAY

Sunday 13th May 2018

Aged **7 to 14** years old?

Fancy trying out **Olympic Aquatic Sports** including
Water Polo, Synchronised and Fast Swimming?

Want the chance to do that under the instruction of some of **GB's top athletes**?

On Sunday 13th May 2018, Everyone Active at Whitby Leisure Centre and Scarborough Sports Village are excited to be hosting a **Zoggs Oceans of Fun Day**. This unique event, part of a nationwide series of events being held this year will give 7 to 14 year olds the unique opportunity to experience Olympic aquatic sports and meet Olympic and Commonwealth athletes.

This unique event is totally free of charge - all we ask is that children, aged between 7 and 14 years old, can swim a minimum of 25 metres.

What will happen?

The event will feature a morning or afternoon of skills and games across the different aquatic disciplines, with every participant getting the chance to try each of the sports by rotating through the stations. Each station will be led by an Olympic or Commonwealth athlete, an expert in the discipline, who will provide instruction.

As well as having the opportunity to meet successful Olympic athletes, experience the different sports, have a photograph taken and get an autograph, the event will conclude with a fun 'Race the Olympian' and each participant will go home with a medal.

How do I sign up?

We have a limited number of places and all participants have to be signed up and registered in order to take part. So, if you fancy getting involved, call us now on Whitby Leisure Centre 01947 604640; Scarborough Sports Village 01723 377500 or see reception for more details.
