Dear Parents/Carers

I am writing to inform you that the cost of school meals will increase from Monday 4th June 2018. As a school, we have maintained the cost of a school lunch per child at £2.10 since September 2010 despite numerous increases in costs throughout this period. Unfortunately, with reducing school budgets and increasing costs, this is no longer possible. This term we have been advised that our school will now be charged £2.67 for every meal we serve. We have also been told that the cost of meals will vary in different schools, depending on the individual circumstances of each school.

This figure has been set by North Yorkshire County Caterers and is due to the increase in kitchen staff wages and the escalating costs of produce we use.

To hopefully ease this cost we will be increasing the price of a school lunch to **£2.40 from Monday 4th June 2018 (£12.00 per week)** and then to the full amount of **£2.67 from 4th September 2018 (£13.35 per week).**

Pupils in reception, year 1 & year 2 will still benefit from the governments universal free school meal.

Yours sincerely,

Mrs C Barber
