Big Dig and Tour de Yorkshire Thanks

A huge thank you to everyone that came to help us with our "Big Dig" at the end of last term. We had parents/ grandparents and people from the community offering their support and the children enjoyed helping too. It has made a considerable difference to our grounds and we are looking forward to being able to use our outside areas and the woodland area to full effect in this summer term. Thank you again, we couldn't have done it without you. Thanks also to all the parents/ grandparents that came to help with our Tour de Yorkshire celebration bike ride. We really value your support in being able to hold such an event for the children. Special thanks to Mike Verrill for coming and checking the children's bikes before the event.

Beach Schools Training

Our training day has been spent being trained by East Barnby on beach schools. We have 2 more after school sessions this week and we are looking forward to including this as part of our curriculum at Fylingdales School. We have included some pictures on our school website so you can see what we have been learning.

Car park fundraising

Thanks to Sally Fewster for manning the doctor's car park at the weekend and raising £64.00 for school. We will be spending fundraising money on resources for beach schools for all the children. If you are able to help with the car park fundraising at all, please get in touch with Sally to see what dates are available.

Please see overleaf for details about cricket sessions that are being offered locally for Years 1-3. Mike Stones will be coming to do an assembly on Thursday morning with the children to explain about the sessions.
