

Dear Parents/Carer

### Attendance Data

### Dinner Money

This is a polite request to bring your child's lunch money into school at the **beginning** of the week. Lunch money remains at £2.10 per day per child and £10.50 per week. Please ensure that any outstanding dinner money is paid by Friday to enable us to balance our accounts.

### Permission Slips

There are lots of permission requests coming out at the moment with sporting events and trips taking place. Please could you ensure that you check your child's bag regularly and return any forms to us in plenty of time. Mrs. Howard's workload has increased lately with the amount of trips that are taking place and it creates a further workload if she is having to ring up to chase up forms that have not been returned. Each letter will confirm what equipment/ clothing is required, so please take note to ensure that your child has everything they need for the day.

### May Queen Ceremony- Friday 26<sup>th</sup> May 2017

Our May Queen ceremony takes place on Friday 26<sup>th</sup> May at 2pm in RH Bay dock, our queen this year is Charlotte and our king is Alex. The village hall has been provisionally booked if the weather is poor. If the weather is unsuitable for the event to take place in the dock the decision will be made on Friday morning and a text sent to all parents. The children will leave school at 1.30pm and walk down to RH Bay; all are very welcome to join us.

I would like to stress however, that if you are coming to watch, **please do not take your child/children away at the end of the event without telling their class teacher** who will need to record this on their class list. I would also be grateful if you could **please complete and sign the permission slip overleaf by Wednesday 25<sup>th</sup> May** to indicate whether you will be collecting your child from the dock/ allowing your child to walk home from the dock/ picking them up from school. All children who do not have parents/relations attending this event will be brought back to school for normal collection.
