### KS2 Plastics Day- Friday 13<sup>th</sup> September

Wow! We were amazed by the amount of plastic received by Key Stage 2 children last week. The children worked well with the children at Hawsker School to explore the amount of plastic waste that was accumulated by key stage 2 families in a week. They were amazed to count 128 milk cartons used, let alone all the other plastic waste. Their research will continue now as they explore the topic "No Planet B".
