

Dear Parents and Carers,

Planetarium

All the classes had a fantastic time with the mobile planetarium that we booked to visit school. The children had the opportunity to learn about our galaxy and planets and what it would be like to be on a space rocket exploring in space. They also looked at space travel in the future. This was an amazing experience for the children and they were blown away by the presentations. This was a wonderful way to end our topic on space this term and help us to continue to ignite the children's enthusiasm for this topic. Our whole school topic next term is 'Olympics'. Swallow class will also be looking at 'People who help us'.

Retirement

Thank you for supporting our Easter service and retirement celebrations for Mrs. Holmes. She thoroughly enjoyed her celebration day and loved the gifts that she received. The staff bought a bench for Mrs. Holmes and parental contributions were put towards the cushions and matching parasol to complete the set. We wish Mrs. Holmes a very long, healthy and happy retirement.

Fylingdales 100 club

Latest winners as follows: 1st £32.40 Rachael Straw (107), 2nd £16.20 Jackie Pybus (14) 3rd £8.10 Laura Wiggins (123).
