Monday 13th June

Dear Parents/ Carers,

We have organised some drama sessions in school with the Stephen Joseph Theatre outreach team. They will be working with Swallow class and Robin class on Monday 27th June and then again on Wednesday 29th June.

At 2.00 pm on Wednesday 29th June we are holding a mini performance that you are welcome to attend. It will be a performance of the work that they have put together and we will be having refreshments afterwards. We hope that you can join us to celebrate the children's work.

Kind Regards

Mrs. C Barber
